Morris Marshall & Poole with Norman Lloyd are Supporting the Future of Farming

We are proud to work with The Agricultural Mortgage Corporation (AMC) the leading supplier of long-term funding for the Agricultural Sector. The Agricultural Mortgage Corporation (AMC) has been providing medium to long term finance solutions to farmers and rural businesses since 1928. They remain the leading specialists in the rural sector, lending to all types and sizes of farms, landed estates and rural business in the UK.

AMC Loans can support a wide range of purposes including:

- Buying Land and Property
- Building Improvements
- New Buildings and Fixed Equipment
- Purchasing Machinery
- Restructuring Borrowing
- Diversification both on and off farm including Holiday Lets and Buy to Lets etc.
- Paying out a Retiring Partner

Lending Options:

- You can borrow from £25,001 upwards
- Flexible terms ranging from 5 to 30 years
- Fixed or variable interest rates or a combination of both or interest only
- Fixed* or variable interest rates, or a combination of both, on either a Repayment or Interest Only basis

As well as lending to core agricultural businesses AMC can also provide finance for rural enterprises that may not be directly linked with agriculture. Taking into consideration both on and off farm income, finance can be used to support a variety of agricultural or commercial plans.

**There is always a possibility that interest rates may go down leaving a fixed rate loan at a higher level compared to a variable rate loan. However, if interest rates rise, a fixed rate loan will remain at the same rate.*

As the leading AMC agents within our region and a team who have over 60 years' experience between them, we have helped our clients find tailored and competitive agricultural loans through our relationship with AMC. We can discuss your financial needs and help push your business forward.

AMC loans available for business purposes only, provided on a secured loan basis. Minimum AMC standard loan £25,001. To meet customer requirements, lending criteria will vary. Lending is subject to status

For further information or to discuss the options of borrowing from AMC and how they could assist you please contact Morris Marshall & Poole with Norman Lloyd's AMC Team:

"Providing Certainty in Such Uncertain Times"

With uncertainties of a Post Brexit / Post Covid economy now compounded by concern over the possible implications of the Russian invasion of Ukraine, many may be seeking ways to make their businesses more robust, to face whatever the future may bring.

Often referred to as "price takers rather than price makers", farm businesses often have little control over prices received for their commodities and so it would seem logical to focus on the costs / outgoings of the business, that can be directly influenced, such as finance costs.

During such uncertain times, the long-standing unique selling of an AMC facility are perhaps more valuable than ever and it is therefore worth a reminder of what AMC can offer, in terms of long-term stability, which may currently be lacking in the offering of a high street lender.

AMC Agricultural Long-Term Funding

- Farmland or Agricultural Property Purchases
- New Buildings and Building Improvements
 - Farm Diversification
 - Restructure borrowing
- Borrow from £25,001
- Between 5 and 30 years
- Fixed or variable interest rates
- Repayment, interest only or a combination of the both.
