EWE
Lots 901(1 Entry)

Sara Gibbons – Whatmore Flock

Steve and Sara would like to extend a warm welcome to you all today on this our 4th joint production sale.

The ewe on offer today are all reared at 11000ft. They have been running with the flock's exciting new ram Congressman who was purchased at the August Sale in Ireland. He was shown very successfully this year winning many Championships.

The flock's ewes are bred for width, legs, tight skins, muscle and conformation . Wasp and Siren have played a major role in this and are both going strong at 6 and 9 years old.

Finally we would like to wish you every success if you make a purchase and very much hope they will go on and do well for you.

Our extended thanks must go to all at H&H for their help and support.

Wishing you all the best.

SHEARLING GIMMERS

Lots 902-926 (25 Entries)

Dan & Janine Jones – Jonsland Flock

We would like to extend a warm welcome to our Annual joint Production Sale of Blue Texel In Lamb Gimmers and Ewe Lambs in conjunction with the Whatmore and Hackney Flocks. We extend our thanks to all who have helped us prepare for this sale especially Steve and Sara Gibbons.

The Jonsland Flock was established in 2006 with the emphasis on good conformation and tight skins. We have increased our flock by only purchasing the best sheep we can find and by selecting our best ewes for embryo transfers.

Although we only go to very few shows and sales, we have had great success over the years, with the highlights being winning the Supreme Champion twice at The Royal Welsh Show, which is one of the biggest shows of Blue Texels in the country.

Jonsland Youtube bred by us and sold to the Sercombe Family's Bubblegum flock as a ram lamb was 1st Aged Ram and Overall Champion Blue Texel at The Royal Welsh Show 2017.

We use home bred Blue Texel Rams in the commercial flock at Tynybryn. We sell to commercial breeders, many who buy from us regularly, producing prime lambs with premium weights and grades. We have also sold to some of the top pedigree Blue Texel flocks.

We intend to keep our flock small and to be very selective with our breeding, always concentrating on quality.

The Jonsland Blue Texel sale entries are all available for direct export to Northern Ireland.

We would like to thank purchasers and wish them every success with their sheep in the future and our extended thanks must go to H&H for all their hard work.

Best wishes

Dan and Janine Jones

No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.

No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
