## SCANNING RESULTS

All ewes will have been scanned and the results are printed in the catalogue. This in no way guarantees the number of lambs at birth. If any female sheep which is described in the catalogue or at the time of sale as being "scanned in lamb" or in lamb, proves not to have been in lamb at the time of sale and within 7 days after the day of sale the purchaser gives written notice to the auctioneers of his intention to return the animal supported by a veterinary surgeon's certificate that such sheep has proved not to have been in lamb then the purchaser may return such sheep to the vendor.

## INSPECTION

PRE-SALE INSPECTION All sheep forward for the sale will be subject to a Society inspection. Any animal which does not reach the Inspection standard will not be eligible for show or sale. The inspection decision will be final and any animal failed will be removed from the sale

FINAL DISPERSAL SALE  
OF THE  
NOTED AND HIGHLY SUCCESSFUL  
“MILLEND” FLOCK  
FOR  
RUSSELL & GILL WATKINS

## Millend Blue Texels

Following the tremendous sale of our flock ewes last year, we offer the opportunity to purchase our in lamb yearling ewes and our renowned stock ram Hackney All Gold.

We are very proud of our flock and it was sad to see their normal lambing bay empty this spring! They have been bred to breed, only ever retaining the best females with focus on carcass quality and breed character. This has created the successful Millend progeny seen in the top breeding lines.

The flock was established in 2006 initially with two ewes and then a further four hogs, the pick from the 'Marteg' flock.

The flock has been very successful at Society Shows and Sales picking up overall champion multiple times. Many 4 figure prices have been achieved for both rams and ewes. Quality breeding has led to numerous titles in the show ring. The highlight winning female champion at the Royal Welsh Show. It has also been a pleasure to see Millend progeny win championships for their new owners.

All ewes are in lamb to Hackney All Gold purchased for 3400gns, the top priced yearling at all Society sales in 2017. He has confirmation and character and is out of the super 13,000gns gimmer. He will be a definite asset to any flock and his sale is an opportunity not to be missed. He has only ever been shown once, this season he won reserve interbreed champion.

All purchases can come back to Upper Cwm after the sale for a few weeks if needed.

We wish all our purchasers well and hope they enjoy the Blue Texel breed as much as we have.

*Russell, Gill, Rebecca, Charlotte and Meg Watkins*
